## Brian Reese: A Closer Look

Outlaws General Manager Brian Reese took over the head coaching duties after the Outlaws' fifth game of the 2007 season with the team's record at two wins and three losses. The team responded to this change by winning five of the last seven games and reaching the MLL playoffs.

Prior to Reese's arrival, the Outlaws allowed an average of 19 goals per game. After Reese assumed head coaching duties, the team allowed just 13 goals per game in the remaining 7 regular season games. "I'm excited to be back on the sidelines this year for the Outlaws. We have a great group of players and the staff we have assembled will work hard to make them even better."

Reese is well experienced in the lacrosse world, as a former player in the NLL from 1998-2005, and in the MLL from 2001-2005, where he was a four-time member of the MLL All-Star team. He was named Outlaws General Manager in 2005 and has since seen impressive success with his team
