

## 2009 GAME NOTES

Denver Outlaws (3-1) vs. Long Island Lizards (3-1)

7:00 P.M. MT Face-Off @ INVESCO FIELD

### Outlaws vs. Lizards Preview

After three consecutive victories, the 3-1 Outlaws will have their hands full with another one of the league's premier teams. Also at 3-1 (and a perfect 2-0 on the road), Long Island looks to carry momentum from an overtime victory versus the Boston Cannons last week.

What makes the Lizards so tough is their ball control, which starts with winning ground balls. They lead Major League Lacrosse (MLL) with 133 GBs in four games (compared to Denver's 76). However if the Lizards can't convert those possessions into scores Denver should have the advantage. The Outlaws have proven to be a team with a potent offense, and have taken more shots this season (186) than Long Island (167) while also carrying a better shooting percentage (.306 to .287).

### Individual Matchup

**Brian Langtry vs. Brian Dougherty:** Langtry has a knack for the 2-point shot. With three on the year he is tied for the league lead. Dougherty has allowed a couple goals from beyond the arch this season so it'll certainly be interesting to see which Brian comes out on top.

Side Note: This is the first meeting between the two teams this season. The Outlaws defeated the Lizards the last time they played on July 28, 2007 on an overtime 2-point goal by Jeff Sonke.

### Players to Watch

**Brendan Mundorf (Denver):** He'll be a star to watch in every game this season. Mundorf has had a fast start in this year's campaign and doesn't look like he'll be letting up on the pedal anytime soon. With 15 points (13 goals, 2 assists) he ranks third in the league in scoring.

**Brian Dougherty (Long Island):** With the best goals-against-average (10.47) in the MLL, Denver's high-powered offense will face a tough goaltender.

**Drew Westervelt (Denver):** This 6'4" attackman can do it all. He uses his big frame to beat up opposing defenders. The separation this causes frees things up for him to pass or score. Westervelt has dished out 7 assists and netted 6 goals.

**Chris Fiore (Long Island):** The Lizards have a big man of their own. He's the same size as "Westy" but plays the middle position. Look for No. 21 in the scoring column. Fiore has scored 8 goals on 19 shots and leads the team in overall points (11).

### 2008 Season

The Outlaws ended the 2008 season with a second place finish, being defeated in the championship by the Rochester Rattlers (6-16). Two players from the team were listed in the Top-25 of the scoring leaders board; Langtry at the top with a 3<sup>rd</sup> place ranking followed by Mundorf with a 6th place ranking.

## Outlaws Player Spotlight

### # 25 Shane Walterhoefer

**Position:** M

**Date of Birth:** 02/10/1986

**Height:** 5' 9" **Weight:** 200 lbs

**College Experience:** University of North Carolina

**Acquired:** 1st round pick (7th overall) in the 2009 MLL Collegiate Draft

Face offs are obviously one of the most important aspects of a lacrosse game. They control who gains possession and possession equates to scoring opportunities. Prior to the 2009 MLL draft, lacrosse experts predicted the Outlaws would snag the nation's top face-off player to address one of their biggest needs. They were right; enter Shane Walterhoefer who throughout his career won the third most face-offs in NCAA Division I history. Because he was so successful at the "X" Walterhoefer was also able to pick up quite a few ground balls (7<sup>th</sup> most in D-I history). But Shane will face a tougher challenge in the pros. "Every week I will be going against one of the top five face-off guys in the world," said Walterhoefer. "In college you go against one of the best maybe once a month."

His first MLL appearance was a bit of a learning experience as he won 13-of-40 against Washington's Alex Smith, who just a season ago set a MLL record for most face-offs won in a season (249).

"I learned a lot going against Alex and I'll get better going from here learning the speed of the game and [referee's whistle] cadence."
